

LASSIE Training Courses

Course Title	Contact Person	event N	Contact Email	Course Location	Course Dates	Further Information
Interstellar Medium Lecture Course	Dr. L. Hornekær	Aarhus	liv@phys.au.dk	Aarhus University, DK	Autumn 2010	
Lectures on interstellar physics and chemistry	Prof T. Millar	Belfast	tom.millar@qub.ac.uk	Belfast, UK	Autumn-Winter	https://habu.pst.qub.ac.uk/groups/tomillar/
Astrochemistry Lectures	Prof. H. Linnartz	Leiden	linnartz@strw.leidenuniv.nl	Leiden Observatory, NL	17,19,20,23,24/05/2011	Lecture course given by Prof. E. van Dishoeck. http://www.strw.leidenuniv.nl/~sanjose/astrochem
Presentation Skills	Prof. H. Linnartz	Leiden	linnartz@strw.leidenuniv.nl	Leiden Observatory, NL	20/05/11	
Project and Time Management	Prof. H. Linnartz	Leiden	linnartz@strw.leidenuniv.nl	Leiden Observatory, NL	18,25/05/11	Personal Development Training organised by Coenegracht training, coaching & advies
Outreach Training	Prof. H. Linnartz	Leiden	linnartz@strw.leidenuniv.nl	Leiden Observatory, NL	26,27/05/11	Course organized by Graphic Science
Summer School "Astrochemistry with	Dr. M. E. Palumbo	INAF	mepalumbo@oact.inaf.it	Centro Congressi, Bologna,	13-17 June 2011	http://www.alma.inaf.it/
Interstellar Medium Lecture Course	Dr. L. Hornekær	Aarhus	liv@phys.au.dk	Aarhus University, DK	Autumn 2011	
Summer School "Interstellar ices and Infrared Observations"	Dr. H. Cuppen	Leiden	H.Cuppen@science.ru.nl	Cuijk, NL	4-8/06/2012	http://www.theochem.ru.nl/summerschool2012/
Summer School		MPG		MPIA, Heidelberg, D	Autumn 2012	Details to be confirmed. http://www.mpia.de/imprs-hd/
Summer School in State-of-the-art Astrochemistry	Prof JL Lemaire	Paris	jean-louis.lemaire@obspm.fr	Paris, FR	August/September 2013	

Supplementary training courses provided by individual institutions

These websites listed here provide details of graduate level professional development and other similar courses offered	
Aarhus University	http://science.au.dk/en/studies/phd-studies/for-phd-students/courses/
Heriot-Watt University	http://www.hw.ac.uk/edu/research/index.html
Leiden University	http://science.leidenuniv.nl/index.php/english/graduateschool/
MPI Heidelberg	http://www.mpia.de/imprs-hd/
Paris Observatory	http://ufe.obspm.fr/rubrique10 http://ufe.obspm.fr/rubrique118.html
Queen`s University Belfast	http://www.qub.ac.uk/sites/ResearchStudentSkillsProgramme/
Strathclyde University	http://www.strath.ac.uk/rdp/
University College London	http://courses.grad.ucl.ac.uk/list-training_pht

As well as the courses listed here, other lecture courses relevant for participating researchers may be available. Researchers are encouraged to consult the list of graduate level lecture courses at their host institution.
